

## EIU University Housing ESA Registration Form

The individual approved for an ESA must complete, submit, and review this form with the appropriate Department of Housing staff before the approved animal may be brought to campus. A new form must be completed if any changes in the information about the ESA occur. The animal cannot come to campus until all steps have been completed and the Owner has been notified by the OAA that the animal may now be brought into University Housing.

**This form should be returned with a copy of the animal's vaccination records and current health information from a registered veterinarian's office.**
