I would like to go to events that feature music, food, or traditions from other countries.

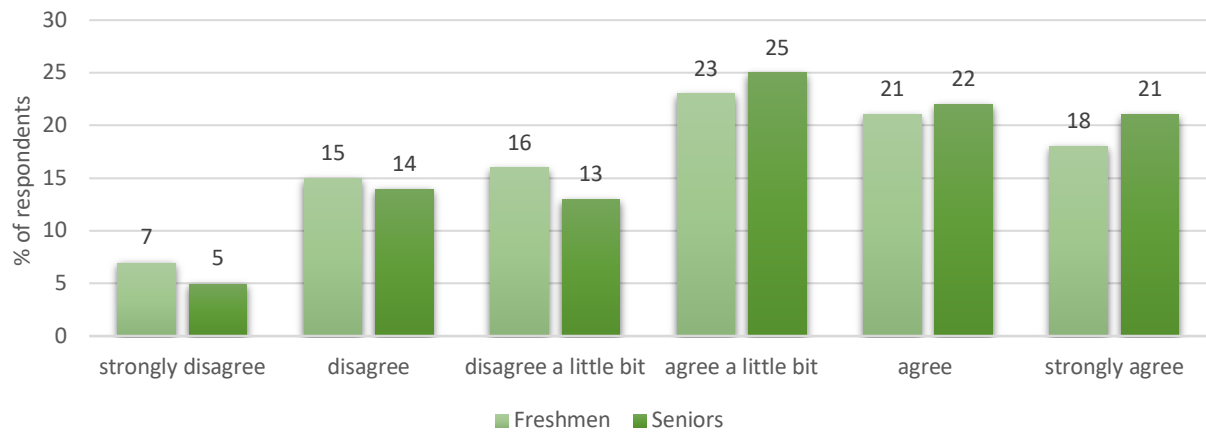

I can best understand someone after I get to know how he or she is is both similar to and different from me.

I am only at ease with people of my race.

I often listen to music of other cultures.

Knowing how a person differs from me greatly enhances our friendship.

It's really hard for me to feel close to a person from another race.

I am interested in learning about the many cultures that have existed in this world.

In getting to know someone, I like knowing both how he or she differs from me and is similar to me.

It is very important that a friend agrees with me on most issues.
