AN EDUCATIONAL JOURNEY WITH AUTISM: SUPPORTING GROWTH FROM PRE-K TO ADULTHOOD

**PRESENTED BY SLPS: BETH LEGGITT,
PAM BRISCOE, SHELLY SEAMAN, LINDSEY TOMLIN**

Join us on a journey with individuals diagnosed with autism from pre-k to age twenty-two. Follow their path of learning and growing to maximize their potential in all areas! Learn how one special education cooperative has developed programs to support these students with specially designed programming to meet individual student needs. Take a deeper look through the autism lens as we examine specific case studies of students and what we have learned on the journey!
