

Looking for a way to get involved in research, to earn credit for your research, and have Honors distinction?

Join our EIU Departmental Honors Program, one created to suit your academic needs and allow you to pursue independent research.

Biological Sciences

Coordinator: Dr. Barbara Carlsward

Email: bscarlsward@eiu.edu

What's the advantage?

- Experience in conducting independent research (you become an expert)
- Direct application of course work looks good to potential graduate schools and employers
- Priority registration, housing, and funding opportunities.
- It's fun!

Requirements:

- ✓ GPA 3.50 or higher
- ✓ At least 60 semester hours of coursework
- ✓ Complete 12 semester hours of the following Honors courses:
 - BIO4555 (Research)
 - BIO4644 (Thesis)
 - BIO4666 (Seminar)
 - BIO4444 (Independent Study)
