*Revolutionary Decade: Reflections on the 1960s*, an exhibit and program series, has been made possible partially through a grant from the Illinois Humanities Council. In addition, a Back to Books grant from the Illinois State Library provided funds for the purchase of materials related to the topic. These materials have become a part of the Booth Library permanent collection.

## Coming Soon to Booth Library

**Quanah and Cynthia Ann Parker - A Man in Two Worlds and a Woman of Two Worlds:** The saga of Cynthia Ann Parker, born circa 1827 near present-day Charleston, and her son Quanah Parker, the last Comanche chief in America, is well-known in Texas history. But the Parker story has its roots right here in East Central Illinois. Join Booth Library during the spring semester of 2015 to learn more about this fascinating family through a variety of related exhibits and programs. Scholars from all disciplines and community members interested in participating or proposing a program for this series are asked to contact Beth Heldebrandt at [emheldebrandt@eiu.edu](mailto:emheldebrandt@eiu.edu) or 581-6064.
