Approved Executive Actions**LCBAS****1. Effective Fall 2009**

1. Add technology-delivered sections of FCS 4859 (Link to the completed technology-delivered questionnaire) See **Attachment A**.

2. Effective Fall 2009 - Proposal for Changing the Title of FCS 5155**Current Title:** FCS 5155 Teaching and Marketing Nutrition**New Title:** FCS 5155 Principles of Nutrition Education

The course will stay the same with only the name change. Students have expressed a concern that they are not aware of the nutrition education component of our program. This course actually focuses on nutrition education but the name change would make that fact more obvious to the students.

Graduate School**1. Effective Spring 2009 - To clarify in the graduate catalog that this is a non-credit course.**

EIU 5951. Non-credit Thesis. (0-0-0) The purpose of this course is to allow a graduate student to remain continuously enrolled as an auditor and access services required to complete the thesis after completing the maximum number

of hours of credit for thesis [5950], research [5900], and independent study [5990] in a thesis option. **Credits: Audit only.**

COS

1. **Effective Summer 2009 - Change effective course date for ECN 5433 from Spring 2010 to Summer 2009.**

ECN 5433. Applied Econometrics. (3-0-3) S. This course is the second phase of the econometric sequence. It focuses on applying feasible and valid empirical techniques to economic problems. Students will gain hands-on experience formulating and estimating models, making forecasts and interpreting results. Prerequisite(s): ECN 4973, or approval by the instructor or department chair. Co-requisites: None. Course may not be repeated.
