COMMUNICATION STUDIES MINOR

SCHOOL OF COMMUNICATION & JOURNALISM
EASTERN ILLINOIS UNIVERSITY

The Communication Studies minor provides students a well-rounded approach to understanding the role of communication in society and how to engage in effective communicative strategies in multiple social contexts. Good communication skills are essential in almost every industry today. In fact, employers identify the ability to verbally communicate with people inside and outside an organization and the ability to create and/or edit written documents among the top ten skills they seek when hiring new college graduates. Students in this minor will develop strong verbal, nonverbal, and written communication skills and cultivate the ability to speak well in front of small and large audiences.
