

Opportunities with Memorial Behavioral Health

Access Clinician (Crisis Worker)

Access Clinicians on the Memorial Behavioral Health team have the opportunity to impact lives and see immediate results. As a crisis worker, no two days will look the same. The ideal candidate thrives in a variable, fast-paced environment and is quick to problem solve. Your knowledge as a clinician will grow exponentially as you interact with a wide range of patients in a multitude of situations both locationally and with varied diagnoses.

MOSAIC – On-Site Clinician (School Therapist)

MOSAIC On-Site Clinicians work with children from kindergarten through eighth grade in a school therapist role. This position allows for independence and creativity to problem solve to best serve students. With Memorial's support backing you, you have the opportunity to create a program that best fits the needs of the community. With one school as your home base, you will travel to multiple schools in the Lincoln, Illinois area as well as potential home visits based on the needs of the students and parents.

Memorial seeks team members that continually advance their knowledge, skills and performance and work with others to achieve superior results.

Join us in our mission to improve the lives of the people and communities we serve, and apply today!
