Help us take care of the eSports Arena

- Leave the Arena as you found it by cleaning up before you leave.
- Honor the closing time of the eSports Arena and SRC. If the eSports Arena is closing, you will be required to exit your game without exception. Please keep in mind that may result in being banned by the game.
- Balance gaming with other university responsibilities. We want you to be a successful competitor, but academics come first. If you need assistance balancing gaming and other responsibilities, we encourage you to reach out to EIU Health and Counseling Services.
