

The Doudna Fine Arts Center is the premier performance center in East Central Illinois. Its unique modern design and fantastic venues make it one of the most iconic buildings in the region. The Doudna Fine Arts Center not only hosts performances by our Departments of Music and Theatre and exhibits in our Department of Art + Design, but also brings in about ten professional touring shows each season.

The Doudna will be presenting close to 60 ticketed performances just this season alone. This does not include all the festivals, free performances, camps, conferences, etc. The Doudna has thousands of people come to the center each year. As one of the most visual and visited places on Eastern Illinois University's campus and the community in general we would like to offer you the opportunity to add your name as a sponsor of one of our main Premier Events.

This season we have several events that you can choose from for sponsorship. Sponsoring one or more of the events comes with great benefits and promotions for your business. Please let us know which production you wish to sponsor or co-sponsor and we will be happy to meet with you and get the process started.
