PROPOSED REVISION IN MATHEMATICS MAJOR WITH TEACHER CERTIFICATION OPTION (B.A.)

A major in Mathematics (B.A. with Teacher Certification) prepares students to become secondary (9-12) teachers in the state of Illinois. The program is made up of 1) 40 hours of general education (including MAT 1441G); 2) 25-31 hours in the professional education core: SED 2000, EDF 2555, SED 3330, EDP 3331, SPE 3500, EDF 4450, STG 4000, 4001 for the regular program or SED 2000, EDF 2555, SED 3000, 3100, 4000, STG 4001 for the ASEP; 3) 48-49 hours in Mathematics courses for the major: MAT 1441G(or 1440G), 2170, 2270, 2442, 2443, 2550, 2800, 3271, 3272, 3400, 3530, 3701, 3702, 4900; and 4) 6-15 hours of electives. For students also wanting to be eligible to teach middle school mathematics, additional Middle Level Education courses are required.

This major requires that students follow and meet the requirements for Admission, Retention and Graduation from Teacher Certification programs as described in the "Teacher Certification Programs" section of this catalog and as explained at the University Admission to Teacher Education Meeting which all students must attend. Students must gain University Approval to Take Teacher Education Courses no later than the end of their first semester Junior year in order to use this suggested plan. Additional information on Admission, Retention and Graduation for Teacher Certification programs can be found on the College of Education & Professional Studies website at www.eiu.edu/ceps/teached.

All students must pass the Illinois Certification Test of Basic Skills for selection into teacher education and should complete this requirement no later than their sophomore year.

Students must receive a "C" or better in all professional education courses and maintain a minimum cumulative and major GPA of 2.65 in order to continue in the program. Courses requiring a "C" or better are identified in the suggested plan by a "+".

Students have two options for completing the professional education coursework – Regular Secondary Education Program and Alternative Secondary Education Program (ASEP). The required courses under these two options are identified below with the designations of R and A respectively. For more information regarding these two options please consult with your advisor. Information is also available in the Teacher Certification Program section of this catalog.
