**Council on Academic Affairs
Minutes**

January 15, 2009

The January 15, 2009 meeting of the Council on Academic Affairs was held at 2:05 p.m. in Room 4440, Booth Library.

Members Present: Ms. Alexander, Dr. Bower, Dr. Campbell, Ms. Dilworth, Dr. Hendrickson, Dr. Hyder, Dr. Reid, Dr. Sterling, and Dr. White.

Members Absent: Ms. Adeniyi, Ms. Green, and Dr. Schroeder.

Staff Present: Dr. Lord, Dr. Herrington-Perry, and Ms. Fopay.

Guests Present: Dean Hine, School of Continuing Education; Dr. Meadows, Family & Consumer Sciences; Dr. Woodward, B.A. in General Studies Program; and Ms. Zeigler, Academic Advising Center.

Note: Student representatives Mr. Keith Darby and Ms. Alison Kostelich can't serve on CAA this semester due to a class schedule conflict. At today's meeting, Dr. Bower introduced Ms. Jackie Alexander as a student who will fill one of those positions. The other position will be filled as soon as possible. In addition, Dr. Bower explained that Dr. Schroeder's position would need to be filled since there's a potential the council could lose its quorum since Dr. Schroeder must leave CAA meetings early to teach at 3 p.m. class. The council discussed how the position should be filled, determined that it should be handled by Faculty Senate, and suggested, if Dr. Schroeder is willing, to have her continue serving on CAA until the position is filled.

I. Approval of the December 11, 2008 CAA Meeting Minutes.

The minutes of December 11, 2008 were approved as written.

II. Communications:

a. College Curriculum Committee Minutes:

1. Minutes of the December 8, 2008 Lumpkin College of Business & Applied Sciences Curriculum Committee meeting.
2. Minutes of the December 8, 2008 College of Education & Professional Studies Curriculum Committee meeting.
3. Minutes of the December 10, 2008 College of Arts & Humanities Curriculum Committee meeting.
4. Minutes of the December 12, 2008 College of Sciences Curriculum Committee meeting.

b. Other Councils' Minutes:

1. Minutes of the December 9, 2008 Council on Teacher Education meeting.

c. Executive Action Requests:

1. November 21, 2008 memorandum from Dean Hanner, COS, requesting executive action to add GPA requirements to the SOS 3400 course prerequisites.
2. December 11, 2008 email from Dr. Coit, CAHCC Chair, requesting executive action to add GPA requirements to the SOS 3400 course prerequisites.
3. December 8, 2008 memorandum from Dean Hoadley, LCBAS, requesting executive action to revise the course description for ACC 4275 and change the prerequisites for MAR 4700.
4. December 15, 2008 memorandum from Dean Hanner, COS, requesting executive action to remove the writing-intensive designation for PLS 2033.

The council members discussed the executive action request. The group requested that the item be added to the CAA agenda and asked that someone be invited to attend next week's meeting to provide additional details concerning the executive action rationale and to answer council member's questions.

d. Waiver Reports:

1. Academic Waiver Reports for December 2008 from Lumpkin College of Business & Applied Sciences, College of Arts & Humanities, College of Education & Professional Studies, and College of Sciences.

e. College Grade Appeals Report:

1. College of Education & Professional Studies summary report of grade appeals for Fall 2008 courses.

f. Other:

1. January 7, 2009 memorandum from Dr. Mary Herrington-Perry, Academic Affairs, regarding a correction to the reinstatement policy.

At the meeting today, Dr. Herrington-Perry provided an explanation and answered council questions concerning the catalog corrections. Note: The catalog corrections and Dr. Herrington-Perry's memorandum appear on pages 9-10 (See attachment A) of these minutes.

2. January 12, 2009 memorandum from Dean Augustine, Graduate School, regarding interviews for the Vice President for Business Affairs.
3. January 12, 2009 memorandum from Dr. Kathleen Bower, CAA Chair, to academic deans, department chairs, and college curriculum committees regarding recent CAA actions regarding the foreign language requirement.
4. Report from the Ad Hoc Committee on Cultural Diversity.

Dr. Meadows, Chair of the Ad Hoc Committee on Cultural Diversity, presented the report and answered questions of the council. At next week's meeting the council will discuss the report and determine what to do with agenda item 08-37, Proposal to revise the Cultural Diversity Requirement (Revised General Education Requirement).

RE: Correction to the Reinstatement Policy

DATE: January 7, 2009

Policies pertinent to readmitting students after they have been academically dismissed appear in two sections of the *Undergraduate Catalog*, currently on pages 12 and 18. Unfortunately, revisions to the policy via agenda item 05-22aR (effective Fall 2006) created an inconsistency among the two sections: Page 12 indicates that a student may be readmitted if she earned a composite GPA of at least a 2.0 on all transfer work attempted; page 18 indicates that the student may be readmitted if she earned at least a 2.0 on all transfer work attempted *since her dismissal*.

This situation came to light recently when a student requested reinstatement and was denied it, the rationale being that her composite transfer GPA was below a 2.0. *This is the official policy*. However, if only the coursework she'd completed since her dismissal was considered, the student was eligible for reinstatement, since her GPA was above a 2.0.

It was not the intention of the Records Office to limit the GPA calculation to courses the student completed since being dismissed. Since such a change to catalog copy amounts to correcting an error, I will see that the *2009 Undergraduate Catalog* is revised accordingly. But since it is important that the academic community be aware of this correction, I would ask that this letter be included among CAA communications.

Thanks!

Readmission

Former Undergraduate Students

Former undergraduate students who are academically eligible and wish to return to the University after a lapse of one or more semesters should make application for readmission to the Office of the Registrar and Enrollment Management at least 10 calendar days prior to the first class day of the term in which they intend to enroll. An earlier closing date may be announced in the public press. Students enrolled in the Spring Semester need not apply for readmission for the ensuing Fall Semester.

A former undergraduate student who has attended one or more regionally accredited colleges or universities may be readmitted provided the **composite GPA in all course work attempted at institutions other than EIU is at least 2.00 on a 4.00 scale**. If the student is attending another regionally accredited college or university at the time of applying for readmission, a statement from that institution indicating that the student is earning a cumulative GPA of at least a 2.00 on a 4.00 scale will suffice until the official transcript can be sent at the end of the term.

Information regarding readmission following academic dismissal and reinstatement following a second academic dismissal is found under the Academic Regulations & Requirements section of this catalog.

Page 18 of current Catalog:

Reinstatement Following Academic Dismissal

Students who have been academically dismissed must remain out of the University for at least one regular semester. After the inactive semester, students who have been academically dismissed for the first time are automatically eligible for readmission provided that they meet the following conditions:

- The student applies for readmission at least 10 calendar days prior to the first class day of the term for which readmission is sought;
 - Prior to the first class day of the term for which readmission is sought, the student, with the assistance of the Assistant Director of the Academic Success Center, prepares a written academic plan signed by both the student and Assistant Director of the Academic Success Center. Students who were dismissed and were never enrolled in EIU 2919 will be required to enroll in EIU 2919 the following fall or spring semester in lieu of making an academic plan with the Assistant Director of the Academic Success Center. Students must complete the course with a "C" or better. Failure to enroll in this course by the first day of classes will result in a hold being placed on the student's record. This course may not be dropped; and
 - ~~If, since the date of academic dismissal,~~ the student has attempted course work at **one or more** a regionally accredited colleges or universities, **he or she must** ~~the student~~ provides an official transcripts ~~for the coursework~~ showing a composite GPA ~~in the course work~~ of at least 2.00 on a scale of 4.00 **in all course work attempted at institutions other than EIU** (or, if the student is attending the regionally accredited college or university at the time of application for readmission, a statement from that institution indicating that the student is earning at least a 2.00 on a scale of 4.00 ~~for coursework attempted by that student subsequent to academic dismissal from Eastern Illinois University~~ will suffice until the official transcript can be sent at the end of the term).

B.A. in General Studies: Option in Child Care Education

This program is designed to offer 60 hours of course work within the FCS curriculum for program participants entering ABC with an Associate of Science or an Associate of Arts degree in Child Development or a closely related field. At the completion of the program, in which participants would have accumulated a minimum of 120 hours (the combined Associate of Science or Associate of Arts degree credits and ABC credits), participants would receive a Bachelor's degree from the BGS Option in Child Care Education. In specifically addressing the concern of access, most classes will be offered on weekends, primarily on Saturdays, within a format to allow students to earn 12 hours of credit each semester.

At the completion of the FCS/Child Care Professional ABC program, graduates will qualify as an Early Childhood Professional Level IV, as identified by the [National Association for the Education of Young Children \(NAEYC\)](#) and qualify for the Illinois Director Credential, as identified by the Illinois Network of Child Care Resource and Referral Agencies. As determined by NAEYC guidelines, graduates will complete a baccalaureate degree in which they successfully demonstrated the knowledge, performance, and dispositions of NAEYC expectations. The ABC program will significantly enhance the preparation for persons within the early childhood field, especially those in administrative positions.

The Family and Consumer Sciences ABC program will provide coursework within a high quality, structured academic environment. Because ABC is a part of the FCS academic unit, students receive theory and application in Child Development, while also receiving instruction regarding the developing child within the context of family and community systems. This is a unique feature of ABC.

The following Illinois Board of Higher Education goals are specifically addressed by the ABC partnership:

- Increase the educational attainment of Illinois citizens
- Extend access to higher education
- Enhance access and success for members of under-represented groups
- Improve the quality of education
- Enhance responsiveness to students, employers, communities, and the state
- Strengthen school-college partnerships
- Improve productivity

Objectives of Early Childhood ABC

1. Provide Bachelor's degree level education to child care providers. ABC is an alternative to elementary teacher certification by preparing professionals to work specifically in non-elementary school settings in the field of early childhood development and care.
2. Create a model partnership program which can be duplicated in other communities in Illinois and across the nation.
3. Remove barriers to completing degree requirements by offering classes on an alternative schedule comprised of weekend classes.
4. Improve campus diversity by increasing the population of non-traditional students at EIU.
5. Strengthen internal and external EIU partnerships.
6. Demonstrate proactive efforts to meet the challenges of community and regional outreach.
7. Establish a model for other campus Schools and Departments to enhance access.
8. Provide quality educational opportunities to a diverse and changing student population.
9. Provide a professional focus to enhance self-worth and employment opportunities.

Criteria for participation in ABC

1. Fulfill all requirements for admission to EIU
2. Fulfill all requirements for participation in the BGS program
3. Document completion of an Associate of Science or Associate of Arts degree in Child Development or a related field **OR** completion of at least an Associates degree in any field in combination with at least 3 years of documented compensated employment in the child care field
4. Completion of course pre-requisites, if applicable

B.A. in General Studies

(Formerly the Board of Trustees BA)

The School of Continuing Education Bachelor of Arts in General Studies Degree Program is an individualized, nontraditional program designed for working adults. The program combines sound academic principles with advances in technology to facilitate degree completion. After admission to the program knowledge and skills acquired by non-academic means can be evaluated for academic credit.

Core Requirements:

- 120 semester hours total
- 40 semester hours at the junior-senior level
- 20 semester hours taken from EIU
- 12 semester hours in Humanities/Fine Arts
- 12 semester hours in Social/Behavioral Sciences
- 12 semester hours in Scientific Awareness/Mathematics
- 6 semester hours in Communication/~~Language~~ **English**
- 1 course in Cultural Diversity
- 1 Senior Seminar

In Addition Students Must:

- Complete BGS 2985, Adults in Transition **and BGS 4001, Self-Directed Leadership**;
- Demonstrate writing competency;
- Maintain a minimum 2.00 cumulative grade-point average.

NOTES:

- ~~1.~~ It is recommended that no more than ten one-credit-hour workshops may be used toward the degree.
- ~~2.~~ **1.** A student must be admitted to this program by the Director of the Bachelor of Arts in General Studies Degree Program.
- ~~3.~~ **2.** After the student is admitted to the program, only grades of "C" and above will be counted toward meeting graduation requirements. Grades of "D" and "F" earned after admission to the program will be included in the cumulative EIU grade point average, consistent with current EIU grade policy.

B.A. in General Studies: Option in Child Care Education

The Option in Child Care Education (known for publicity purposes as the ABC/Alternative Bachelor's in Child Care) is a cooperative effort of the School of Family and Consumer Sciences, the School of Continuing Education, and selected community colleges. Designed for nontraditional students who require flexible access to courses, it includes 60 hours of coursework offered primarily on weekends.

At the conclusion of their course of study, graduates are prepared to qualify for the Early Childhood Professional Level IV, as identified by the National Association for the Education of Young Children (NAEYC) and the Illinois Director Credential, as identified by the Illinois Network of Child Care Resource and Referral Agencies. The Option in Child Care Education meets the qualifications of the Illinois Director's Credential as an entitled program.

Criteria for Admission to the Option:

1. Admission to the University.
2. Admission to the BA in General Studies Program.
3. Completion of an associate's degree with a focus on Child Development/Education or a closely related field. Students completing associate degrees that do not meet the general education requirements of the BGS program may be required to complete additional coursework.
4. Documented employment of at least 30 hours per week in the child care field.

Option Requirements:

The option comprises a minimum of 60 hours of coursework, to include:

- BGS 2985 Adults in Transition - Credits: 2
