1. Minutes of the September 10, 2009 Honors Council Curriculum Committee meeting.
2. Minutes of the September 24, 2009 Honors Council Curriculum Committee meeting.
After reviewing the Honors Council Minutes, Dr. Reid noted that Dr. Shelton, Chair of the History Department, had received a memo from the Honors College, which she forwarded to the history faculty members, indicating that, effective Fall 2009, faculty proposing new honors courses will be required to state how the course will incorporate integrative learning. The Honor Council Minutes CAA has received thus far do not reference this requirement; nor has the Council received a copy of Dean Irwin's memo. Dr. Reid will look into it and get back to CAA at its next meeting.

1. October 12, 2009 memorandum from Dr. Jill Owen, Kinesiology & Sports Studies, regarding NCAA Athletics Recertification Process and Self-Study.
2. 2009-10 Honors Council membership list from Dean Irwin, Honors College.
3. October 19, 2009 email from Ms. Sue Harvey, Registrar, indicating that the President's Council recently approved changes (**See below**) to Internal Governing Policy 65: Student Withdrawal which impacts the late/retroactive withdrawals section of the catalog.

Late/Retroactive Withdrawals

A student may request a late/retroactive withdrawal through the course instructor when a documented illness or extraordinary circumstance prevents withdrawal from a course by the established deadlines. Failing a class is not an appropriate reason to seek a late/retroactive withdrawal. Students who are failing a course should follow the "Repeating Courses" policy stated in the catalog. The deadline for a filing for a late withdrawal for fall semester is March 15th for the immediately preceding fall semester and October 15th for the immediately preceding spring or summer. ~~Students will be assessed a non-refundable \$25 Late Withdrawal Fee per late withdrawn credit with a maximum of \$100 per occurrence upon submission of the request.~~ **Students will be assessed a non-refundable Late Withdrawal Fee of \$25 per late withdrawal credit requested with a maximum of \$100 per occurrence.**

The Office of the Registrar and Enrollment Management will forward all appeals of the Registrar's determination of Late/Retroactive Withdrawal to the Appeal Committee, whose decision is final and not subject to further appeal.

Procedures for submitting/responding to late/retroactive withdrawals requests are available at <http://www.eiu.edu/~registra/retro.html>

4. October 23, 2009 memorandum from Dr. Mary Herrington-Perry, Academic Affairs, regarding revisions to the record retention policy for academic materials.
*At its October 5, 2006 meeting, CAA approved a new policy governing record retention of academic materials used to determine student grades. Afterwards, the item was sent to the Council on Graduate Studies (CGS) for approval, but was removed from its agenda on April 17, 2007 until the State of Illinois could provide additional information. The item was re-added to the CGS agenda and approved by CGS, with revisions (**See below**), pending the President's Council approval, at its October 20, 2009 CGS meeting.*

*Today, the CAA members did not express concerns about the revisions, so Dr. Herrington-Perry will forward the revisions (**See below**) to the President's Council for approval.*

Record Retention for Academic Materials. Instructors shall keep accurate records of all marks which are used in determining a student's grade and shall retain such records for at least one academic year from the date on which the grade was submitted. Instructional staff members ~~who are going on leave~~ **will be unavailable for one semester or more** or who are leaving the employ of the University shall ~~deposit~~ **make** copies of such grading records **accessible to the department chairperson** in departmental (or college) offices.

5. Copy of October 23, 2009 email to academic deans from Dr. Jeffrey Cross, Academic Affairs, regarding course syllabi and a Student Success Center statement.
