Dear Mr. Miller,

Thank you so much for your prompt response to my FOIA request and the documents you attached. I really appreciate this information.

I have two follow up questions. First, can you tell me if there were any students in the past four years who requested religious exemptions which were not granted? Basically, I am trying to see if there is anyone beyond the total 21 religious exemptions you list, who may have been denied a request. Secondly, I understand your point about the disclosure of personal information with the personal statements. I am not interested in any personal information, but simply the text of the statement. Is it at all possible to receive these personal statements with all personal information redacted?

Again, I really appreciate the information you have provided and any further help you can give me. Please feel free to contact me if you have any questions at [liz.amanieh@nbcuni.com](mailto:liz.amanieh@nbcuni.com) or at 312-836-5804. Thank you so much and I look forward to hearing from you soon.
