Hello Mr. Miller,

I apologize, but I have some additional questions to the ones I just sent you. First, at the top of the summary report, you say the "Total Official On-campus Head Count" is 8726. Then in column 1A, you say the "Total Number Enrolled Subject to Requirements" is 8101. Can you tell me what the difference is between those two figures? Second, is it possible for you to provide the same one page "Summary Report of the Immunization Status of Students at Higher Education Institutions" for the following additional school years: 2012-2013, 2011-2012, 2010-2011, and 2009-2010?

Again, I really appreciate the information you have provided and any further help you can give me. Please feel free to contact me if you have any questions at liz.amanieh@nbcuni.com or at 312-836-5804. Thank you so much and I look forward to hearing from you soon.
