Subject: FOIA Request for Coach Kim Dameron's Total Compensation Package

Good afternoon,

This is Kevin Hoffman with Reboot Illinois. I'm currently compiling salary figures for all of Illinois' public universities' head football coaches, and would like to put in a FOIA request for Coach Kim Dameron's *total compensation* package, which includes base salary on top of any extra pay. Thanks in advance and I appreciate your time and assistance.

Best,
Kevin
