I am writing to gather information on any persona non-grata or no trespassing lists maintained by Eastern Illinois University.

Under the Freedom of Information Act, I am requesting a copy of any such list.. Please redact any portion that you deem exempt, citing the portion of the Act under which you are claiming the exemption.

Also, I just had just a couple of other questions regarding that "persona non-grata" or "no trespassing" list.

1. Do you share that list with other universities?
2. Would inclusion on such a list be noted on a student's transcripts?
3. Is there a written policy and procedure concerning the list that dictates the administrative process, what infractions can get a student on the list and for how long?

Thank you.
