Subject: Immunization compliance rate request

Hi Mr. Robert L. Miller,

This is Bawk, graduate student doing internship at Beu Health Center, Western Illinois University.

The program that I am working on is evaluation and analysis of immunization compliance program by comparing immunization compliance rates among different Illinois State Public Universities.

My question is , may I know the immunization compliance rate of Eastern Illinois University? I can guarantee that the above information is intended only for the graduate internship project study.
Thank you very much for your attention.

Sincerely,
Bawk Aung
