Dear Mr. Miller,

Pursuant to the Freedom of Information Act (5 ILCS 140/), I hereby request copies of all records pertaining to the following:

A list of all employees (names may be redacted) of Eastern Illinois University whose children, in FY2012, received, as a benefit of their parents' employment, the 50% tuition waiver to an Illinois state university, including their salary and the value of the tuition waiver.

I am requesting these records as a representative of the Illinois Federation of Teachers, AFT, AFL-CIO.

I will expect a response within five working days, as required by law. If my request is denied in whole or in part, I expect a detailed justification for withholding the records. I also request any segregable portions that are not exempt to be disclosed.

If possible, I would prefer to receive the information in electronic form.

Thank you for your prompt attention to this matter.

Sincerely,

Dave Beck  
Field Service Director  
Illinois Federation of Teachers
