Kristina

All public records requests for the university are made through the University Council office. Rob Miller. I have attached him to this email but here is his email as well. rlmiller@eiu.edu

I'm not sure if he will need some sort of official form filled out for this process.

Thanks

Subject: Public Records Request

Hi Rich,

I'm contacting you from Creative Artists Agency in Chicago. I was wondering if we could obtain a copy of your Men's Head Basketball Coach's Contract. I'm not sure if you are the one I should contact for this information, but if you're not, can you please lead me in the right direction? Thanks for your help!

Best,
Kristina
