Subject: Directory File Request

Dear Robert Miller,

I would like to request an Excel copy (.xls) of all undergrads/grad students at Eastern Illinois as well as their e-mail addresses. I represent CORT Rental Furniture We have recently developed rental packages specifically for colleges students to help them with the cost and convenience of room and board. We would like to use the information to help promote awareness for our upcoming campaigns and packages.

Sincerely,

Nick DiNardo
Marketing Intern
