Subject : Records request

To : foiarequests@eiu.edu

Pursuant to all applicable law, I hereby request copies of the following records:

Any record showing the current salary of Eric Knuth. I also request records showing the date of hire for Eric Knuth, his salary at date of hire, his current job title and job titles he has held while in the employ of Eastern Illinois University.

In the interests of efficiency, and given that the records I seek are most certainly public, I would accept someone giving me this information via telephone, which I think would be faster and cheaper for everyone involved. Please let me know. In any event, as a working journalist, this information is time-sensitive, and so I would appreciate my request being expedited to the extent possible. Thank you for your consideration.

Sincerely,

Bruce Rushton
