September 29, 2006

The IPAC Study Abroad Subcommittee met at 9:30 a.m. on Friday, September 29, 2006 in 3108 Blair Hall.

Members present: Dr. Dagni Bredesen, Dr. Stephen Canfield, Dr. Michael Cornebise,
Dr. Regina Nganga, Ms. Pam Collins, Ms. Wendy Williamson

The Subcommittee met to discuss and rank the new Faculty-Led Study Abroad Program Proposals for 2007.

RECOMMENDATIONS

1. **Andros Islands** – Marilyn Lisowski/Dan Carter
STG 4000 – questions regarding how it fits into program.
2. **Early Childhood** – Judy Barford/Dan Carter
None.
3. **FCS Italy** – Lisa Brooks
\$2700 listed as program costs / \$1200 listed as airfare. Are these separate costs?
Does not list per diems and accommodations for faculty. Are there any transfer credits from Apicius? Budget concerns – advertising different from budget.
4. **Multicultural Human Behavior** -- Mike Havey/Bill Kirk
None.
5. **The Good Life in Vienna** – Dannie Otto
Should use different title, too close to Teresa Britton's program (see No. 8).
Student numbers too high (20 students).
May need to combine with #8 to eliminate the competition! Department may suggest alternate years for the programs. Wendy Williamson and Dagni Bredesen will meet with Jonelle to discuss these two programs further.
6. **Merchandising** – Kay Woodward/Katherine Shaw
None.
7. **Arch in Belgium** – Bailey Young
None.
8. **The Good Life** -- Teresa Britton
Air fare differs between faculty and students.
Consider changing to 3 cu's. Rotate with Vienna, Austria Program.
9. **British History Abroad** – Newton Key
None.
10. **English Literary Landscapes** – David Raybin
50% for interpretative papers, journals, too high.

11. **Germany, Poland, Czech** – John Stimac/James Davis
Proposal refers to last year's proposal, but it was not attached.
Student and faculty accommodations not listed
Updated syllabus and signatures needed.

FUTURE DEVELOPMENTS

Change admission process – applications to faculty directors first. Faculty directors turn applications in to Continuing Education before or on 2/15 deadline.

Invite Faculty to come to the “review” of their proposals so committee members may pose questions and offer recommendations directly.
