

### Recommended Ellison Letter Sets for Bulletin Boards

The following list of letters is recommended for teachers to use in the classroom. Using 12 x 18 paper, cut strips 3" wide long ways. It takes 16 pieces of 12 x 18 construction paper to make one complete set. Letters will last much longer if you use pre-laminated construction paper. You may also want to make two or more sets depending upon the colors you prefer.
