

College of Health and Human Services - Professional Licensure Disclosure

Per the National Association of State Directors of Teacher Education and Certification (www.nasdtc.net/page/Interstate), educators prepared in approved licensure programs in Illinois may expect to receive licensure in all other states except New Mexico, New York, and South Dakota. The status of New Mexico, New York, and South Dakota is undetermined. Additional requirements may have to be met in the receiving state to receive full licensure.
