EASTERN ILLINOIS™
PANTHER MARCHING BAND

Hello to our Family, Friends and Fans!

Welcome to the 2022 Panther Marching Band LIVE in Concert Production! This will be the first time since November 2019 that this concert will be held due to COVID and all the related side effects. We are very happy and excited to be able to take the stage again and present all of our fall season pre-game and half-time show music as well as some special features. We would like to offer a huge thanks to Conor Baltz, Dennis Malak, Kevin Di Bella and the rest of the Doudna Crew for all their work in helping us to put this production together in such a quality manner! We hope you enjoy our production!

We continue to focus on building our PMB Family relationships and closer friendships in and out of rehearsals and performances. It has been fantastic to see how many of our members have developed what I'm sure will be life-long friendships with other PMB members. Some of our section leaders and their sections have taken this to a new level here at EIU and it has been amazing to see how well the sections and member across the band have bonded this season.

The past two seasons we have worked to build stronger ensemble musical skills and continue to refine and define who we were as a marching unit. We take a very consistent, fundamental based approach to building both musical and marching skills. Students have grown exponentially since the first day of band camp and are now playing and marching at the highest level of performance in my four seasons here at EIU. I think that our performance today will speak for itself regarding the musical growth we have attained this fall.

I have been extremely impressed with how our PMB Members have embraced our goals of becoming 'More Than a Marching Band' this season by further embracing our core values and accountability to higher standards outside the PMB. A large part of that is due to the efforts of our staff members, Courtney St. John and Cheyenne Brickner along with our leadership team. I am extremely blessed to work with some amazing students, musicians, leaders and staff and faculty members here at Eastern Illinois University!

We hope you enjoy the PMB LIVE in Concert production today!

Sincerely,

David Boggs

ABOUT THE PANTHER MARCHING BAND

Being a member of the Panther Marching Band Family at Eastern Illinois is a special and unique experience! Even before you start your first day of Band Camp, you'll be building lasting friendships with people just like you while supporting your Panther athletic teams by doing what you do best! We hope you come and visit and learn what the Panther Marching Band Family experience is all about!

PANTHER MARCHING BAND

The Panther Marching Band (PMB) is the most visible performing ensemble on the Eastern Illinois University campus. The PMB performs at all home football games, is the host and featured performing ensemble at the Panther Marching Band Festival and hosts our new Illinois Small Band Marching Band Championship! The PMB typically performs in exhibitions at one or more high school marching band competitions as well as other community events. Check out our Member for a Day event on November 20 and learn what it's like to be a member of our PMB family first-hand!

PMB DRUMLINE

The PMB Drumline consists of students from a diverse set of backgrounds and experiences. Many members come from competitive high school programs. The drumline is responsible for providing the 'grooves' up in the stands and leading the football team to the stadium as part of Panther Prowl on game days. You'll love being a part of the PMB Drumline!

COLOR GUARD

Our Color Guard is made up of a group of talented students who have the opportunity to create and design some of their own routines during the fall season's PMB Concert! They're featured at every home football game, so come to a game to check out this integral and entertaining part of the Panther Marching Band!

BASKETBALL PEP BAND

The Basketball Pep Band plays an important role at our basketball games. With over 65 selections to choose from in our pep band books, this ensemble plays all styles of up-tempo music ranging from pop to rock to jazz. Check out the band at one of our Member for a Day events in the spring!

We have the highest graduation rate among all Illinois public universities in our class.

Within 6 months of graduation, 91% of EIU students got jobs in professional positions or accepted into graduate programs.

Our alumni satisfaction rate is 98% after 1 year and 99% after 9 years.

We're a Division I school, so our students are challenged if they're on the team and entertained if they're in the bleachers.

Our average class size is 14. Alumni list this as one reason for their satisfaction with EIU.

Our students come from all over. Our student body represents over 44 states & 54 countries.

Our students save \$900 a year using EIU Textbook Rental instead of buying textbooks each semester.

FREQUENTLY ASKED QUESTIONS

The Panther Marching Band is the sound and spirit of Eastern Illinois University, and is one of its largest, most visible, and exciting organizations.

+ WHAT ARE THE BENEFITS OF JOINING THE BAND?

Marching band is a great way to make lots of friends quickly. Participation in the band and guard makes you part of a powerful spirit organization on campus and provides you the opportunity for leadership development as well as personal growth.

+ DO I HAVE TO BE A MUSIC MAJOR TO BE A MEMBER?

No. Approximately 64% of the Panther Marching Band is comprised of non-music majors, representing every academic discipline offered at Eastern. We welcome diversity, and enjoy members who are there because they love making music and supporting EIU!

+ DOES MEMBERSHIP TAKE A LOT OF TIME?

No. In fact, it probably takes much less time than your high school marching band. Rehearsals are held on Monday, Wednesday, and Friday, from 4-6 pm, and for 90 minutes on game day.

Preseason Camp is held the week before classes begin in the fall. The 2023 camp will be held Aug. 13-20.
