

Sexual Violence Prevention Team
Meeting Minutes
February 19th, 2016

I. In attendance: Dr. Heather Webb (student standards), Laura Trombley (Housing), Shirmeen Ahmad (SBG), Kimberlie Moock (NSFP/MSAC), Dean Harwood (FSP), Shawn Peoples (OCR), Melany Zwilling (HERC), Colton Janes (FSP), Jenny Sipes (Office of VPSA), Amanda Harvey (HERC), Deena Kneiss (CSA Faculty), and Lindsay Wilson (Counseling Center).

II. It's On Us:

-SBG trying to get more views on the PSA Videos. Athletes video is being finalized and the Greek PSA video will begin soon.

-Dodge ball tournament- 80 people in attendance/12 teams; many took pledge. "It's on Us" representative informed Shirmeen that EIU has 166 pledges. Many questioned if this was only for this semester? This number seems low; possible that some that are pledging are not identifying what university they are from. May also be only for this semester. SBG will continue with Pledge drives. One pledge drive planned is a tabling event with stress balls to hand out. Another idea is to post some of the pictures that were taken at the dodgeball tourney, on a wall, and encourage students to take the pledge.

-UB "Students Fight Back" connect with "It's on Us": in a previous meeting some voiced concerns on only focusing on self-defense. The "Students Fight Back," program appears to encompass components defining consent, bystander intervention and the community responsibility to build a supporting and safe environment for all. This program will take place on March 8th. More details will be sent out as they are gained.

III. April Progress: A tentative April Calendar was handed out and will be sent out as it is completed. It's on Us to SEE: Bystander Intervention Training on April 14th from 4-5. Faculty Workshops are set for April 19th at 11am-12 with Moyer and April 26th at 1-2:30pm with O'Rourke. Location for these workshops will be announced soon. Room. Red flag campaign will happen throughout the month.
